

"Flip"

Alignment:

- 1 = Right slot
- 2 = Right corner
- 3 = Left corner
- 4 = Left slot
- 5 = Ball side block (Right block when looking at basket)

Step 1:

- 1 = Bring over Half Court, Dribble handoff to "2" on the right wing
- 4 = Cuts down to the left block
- 3 = Lifts up to the Left slot

Step 2:

- 2 = Dribbles ball up to the slot
- 5 = Lifts behind to set up for a flare screen
- 1 = Begins to cut along baseline to Left corner

Step 3:

- 2 = Pass to "3", immediately use flare screen from "5"
- 5 = Set Flare screen for "2"
- 4 = Set baseline screen for "1" to go to the corner

Step 4:

- 3 = Have option to throw to "2" off flare, or "1" of baseline screen
- 5 = After "2" uses the flare, slip to the rim

Step 5: (If the "3" has no one open and throws it to "5" in the slot)

- 5 = Swing it to the "2", immediately follow the ball into a ball screen
